Leader: The heavens declare the glory of God;

People: The skies proclaim the work of His hands.

Leader: Day after day they continue to speak and make Him known.

People: Their message is heard throughout the earth, and their words to all the world.

Leader: If all of nature can tell of God's glory, shouldn't we?

All: May our words and meditations be pleasing to God, our Rock and Redeemer.

Prayer of Praise and Adoration

Eternal God, we see your signature in all of creation. Help us this hour to look and to listen for your handwriting and your voice in this place, among these people. Connect our temporary praise to your timeless rhythms and ageless melodies. Guide us now to focus on you, knowing that in you, our distractions become new possibilities for action. Breathe life into our singing, our praying, our listening, our speaking, that all these activities might become more than they are. We thank you, Lord, for enabling us to share your word around the world. We praise and honor you with our worship. In Jesus' name, AMEN.
