JANUARY 2023

New Year Blessings from Pastor John

Dear Friends,

As the New Year has come upon us, I would like to first thank each of you for your gracious greetings and gifts to Normandy Church this holiday season. Our Christmas special events and worship were truly inspiring. Many thanks to all who have made this possible. Our Christmas Eve services were a blessing with many generations represented and festive holiday music. (I am extremely grateful to Rev. Jim Wilson for stepping up at the last minute to bring the message at both Christmas Eve services as well as our Christmas morning service.) My gratitude to our staff and volunteers for their dedication throughout the season. I could go on with many more words, but I will sum up my feelings with a big THANK YOU to all. Normandy Church is blessed!

As we look to the new year, there are many goals ahead of us. Our primary goal as a church is to continue to grow in the knowledge and love of the Lord Jesus Christ. We are to follow the light in which he leads us with the knowledge of his word in our hearts. As we do this, there are spiritual as well as financial goals to be attained in order that our church remains vibrant. I thank you for your pledges as well as your commitment to ministry for the new year that will help us maintain and sustain the mission and ministry of Normandy Church.

As we look forward to 2023, let us do so knowing that we have a “home” in Normandy Church. It is a place where we can come together as family and celebrate God’s love and redemptions for us. Let us pray that our ministries may continue to glorify God and that His kingdom will continue to reign through our merits.

Happy New Year!

Blessings—
Pastor John
